

What is Support Coordination?

Support Coordination helps you make the best use of your supports in your NDIS plan. Support Coordination is a capacity building service which helps you to:

- Understand and use your NDIS plan to pursue your goals.
- Connect you with NDIS providers, community, mainstream and other government services.
- Build confidence and skills to use and coordinate supports

At Trinity Disability Care, our Support Coordinators will work with you and your families to tailor your support needs in a person-centred approach.
